## TECHNICAL SKILLS

- Python
- Html
- Css
- C

# AKHILESH P

## ➤ EDUCATION

### BACHELOR OF ENGINEERING 2021-2025

SNS College of Technology  
Computer Science and Engineering  
CGPA : 8.59 upto V Sem

### HSC 2019-2021

Shree Gurukulam Hr.Sec.School - 88%

### SSLC 2018-2019

Shree Gurukulam Hr.Sec.School - 85%

## ➤ ACHIEVEMENT

- Completed Industrial IoT in NPTEL with silver medal

## ➤ INTERNSHIP

- Full Stack Development in Digital24 - 2 Weeks

## ➤ PROJECT

### ➤ Electric Watchdog :

Electric watchdog comes under the domain of IoT which is used to detect intruders entering a premises and trigger a alarm using IR sensor.

### ➤ Light Assist System:

Light Assist System comes under IoT which is used to reduce unwanted use of street light wastage of electricity.

## ➤ CERTIFICATES

- Python fundamentals in Great Learning
- Deep Learning in Great Learning
- Machine Learning in Prepinsta
- Web development in Devtown

## ➤ EXTRACURRICULAR ACTIVITIES

- Runner up in National level Throwball competition
- Organized Event- Tobacco Awareness Rally
